REPORT NO. 25X1X

1. On 2 March 1951 several component units of the 57th Guards Motorized Rifle Division left their quarters in Naumburg and Weissenfels. They did not return on that day.
2. A convoy of the 57th Guards Motorized Division left the barracks installations on Flemmingstrasse, Naumburg, on 3 March and headed southwest. Approximately 30 truck-towed pieces of artillery, probably AT guns, were observed with the convoy.*

25X1A * **Comment:** It is believed that elements of the 57th Guards Motorized Rifle Division left their quarters only for short field exercises in the vicinity of their posts. It is doubtful that major components of the division would move out to the Thuringian troop training areas at as early a date as this for the summer training program. Similar information about short-term field exercises held by elements of other divisions near their home stations has been received from the Russian Zone of Germany for about this same period.
